

CCR Celebrates 'America Recycles' by Offering Free Computer Recycling

Classic Computer Recovery Inc. (CCR) a Michigan based Computer and Electronics Recycling company is helping the community & the environment FREE of CHARGE, by picking up and/or taking in old Computers, monitors & printers from area school districts and corporations in the Midwest, along with coordinating special collection sites in Monroe & Oakland counties to promote and advertise America Recycles Campaign 2007.

CCR, a minority business, is helping to promote the awareness and importance of recycling in conjunction with the "AMERICA RECYLES" 2007 by recycling your old computers for FREE. People from residences and small businesses often ask how they can PROPERLY DISPOSE of their old computer equipment and computer peripherals. Now is the chance to get rid of it responsibly for FREE by dropping off your computer equipment at any of the 4 drop off sites below.

Items accepted: computers, monitors 17" or smaller, notebooks, printers and all types of computer components such as floppies, hard drives, cables, and motherboards.

hours 10am-4pm - mon- friday -but need to schedule an appointment to drop off

Classic Computer Recovery has been a huge promoter of "America Recycles" day, by hosting FREE Computer Collection events once a year during the week of the federally designated day, November 15th. This is the fifth year CCR is participating in this campaign to get the word out about the importance of recycling in helping save our environment. CCR Inc, is also busy spreading the word about the upcoming FCC TV switch from analog to digital in Feb 2009, and the huge amount of televisions that will be entering the waste stream in the next 2 years.

With this year's combined efforts from CCR, Counties and Public Works Departments participating in this year's "Americas Recycles" Campaign, CCR expects to collect and recycle at least 400,000 lbs. or more of e-scrap, computers and electronics.

For more information about ARD/America Recycles Day or the upcoming TV storm, please contact CCR's Municipal Coordinator, Laura Charnota, at 734-732-1784 or laurac@classiccomputerrecovery.com.
